### **Cinnamon Cocktail Bar**

With the latest chill-out beach sounds from London and Ibiza, Cinnamon is a vibrant, 1st floor, open bar where you can quench your thirst with an ice cold beer on a lazy, sun-baked afternoon or sample an aperitif from our extensive Champagne and cocktail menu.

Cinnamon is located on what is recognized as the best place on the Island to view the magnificent Zanzibari sunset; people from all over the Zanzibar travel to this spot for the sole purpose of witnessing the spectacle and enjoying the atmosphere...with a cocktail in hand of course! If you're looking for something special, we can also section off areas of the bar for private parties or a more intimate evening.

The Cinnamon menu offers Asian fusion tapas and sharing platters, as well as simple classics like Fish & Chips, continental salads and Sushi.
