### **Weddings**

We offer a full wedding and honeymoon service through our wedding co-ordinator, who can arrange a truly unique, bespoke wedding which caters for your every need.

We offer pre-wedding champagne in our tropical garden, followed by a full wedding ceremony on our white powder beach, a five course wedding breakfast in our Saruche Restaurant and reception on our first floor Cinamon Cocktail Bar. Alternatively, why not exchange your vows on a local Dow, as you sail across the horizon during the stunning Zanzibar sunset, followed by a Wedding breakfast on our beach and reception in our Cinamon Cocktail Bar. For the ultimate wedding experience, we can even arrange for you and your wedding party to be transferred by speedboat to a sand dune which only appears at low tide for your wedding ceremony...if it can be arranged, we will make it happen.
